

**Susan Lyon Workshop Registration Form (April 11-15, 2012 Wednesday through Sunday). Open to RAC members first!**

**Class Description:** This workshop is set up for all levels. Susan will show us her methods for drawing the portrait using charcoal, pastel pencil and General's chalk. We will have two models each day of the workshop. To see Susan's beautiful and sensitive work go to her [www.susanlyon.com](http://www.susanlyon.com) or [susanlyonfineart.blogspot.com](http://susanlyonfineart.blogspot.com) Workshop is limited to 15 artists so if you wish to take advantage of this opportunity you should do so as soon as possible. Cost of the workshop is \$550 for RAC members. This includes the model fees.

The New York Figure Study Guild will be hosting Susan's husband, Scott Burdick, at the same time. There will be some combined evening events for workshop participants. I also invite you to attend their free presentation on Wednesday, April 11, 2012 7-9pm at the Memorial Art Gallery's Auditorium Theatre. They will show a slide show of their frequent travels and discuss their methods of drawing and painting. You will find them to be an articulate and approachable couple.
